Istook Statement on the Death of Zarqawi

Washington DC – Rep. Ernest Istook (R-Warr Acres) made the following statement today on the death of terrorist mastermind Abu Musab al Zarqawi:

"I'm glad the Iraqi's played a big part in eliminating the number one terrorist inside Iraq, and that our American forces never gave up in pursuing Zarqawi. Anyone who tries to fill his shoes will spend more time looking over their shoulder than conducting terrorism. This will help some people to sleep easier—but not terrorists. We must be relentless in tracking down these people—and obviously we were."
